

HB 744 126 OL

Application for retirement; employment of retired members.

Sec. 3309.34. Any employee, except a new entrant with less than five years of service, who has attained sixty years of age may retire, if a member, by filing with the school employees retirement board an application for retirement.

The filing of such application shall retire such member as of the end of the quarter of the calendar year then current. An employer may terminate the employment of a member at the end of the year in which the age of seventy is attained or thereafter at the end of any quarter of the year.

Any person who accepts a retirement allowance shall be ineligible for regular employment in an office or position which comes under sections 3309.01 to 3309.68, inclusive, of the Revised Code, and no employer shall employ such person. *If a person should be so employed, the secretary shall certify to the superintendent of public instruction the amount of the retirement allowance received by such person during such employment, which amount shall be deducted from any amount due the employer from the state public school fund and paid into the annuity and pension reserve fund.*

Effective June 29, 1955
