

Sec. 742.444. (A) A member's participation in the deferred retirement option plan ceases on the occurrence of the earliest of the following:

(1) Termination of the member's active service in a police or fire department;

(2) The last day of the eight-year period that begins on the effective date of the member's election to participate in the plan;

(3) Acceptance by the member of a disability benefit awarded by the board of trustees of the Ohio police and fire pension fund, unless the acceptance is revoked by the member in accordance with rules adopted by the board;

(4) The member's death.

(B) If a member terminates active service in a police or fire department not later than eight years after the effective date of the member's election to participate in the plan, all of the following apply:

(1) The member shall notify the Ohio police and fire pension fund of the date of termination on a form prescribed by the fund. The member is not eligible to make another election under section 742.44 of the Revised Code.

(2) If the member's termination of active service occurs on or after the date that is the first day of the fourth year after the effective date of the election to participate in the plan, the entire amount that has accrued to the member's benefit under the deferred retirement

option plan shall be distributed to the member pursuant to the member's selection under division (B)(3) of this section. If the termination of active service occurs before the date that is four years after the effective date of the election to participate, the member shall forfeit the total amount of the interest credited under division (C) of section 742.443 of the Revised Code.

(3) The member shall select one of the following as the method of distribution of the amount to be distributed to the member:

(a) A single payment;

(b) Periodic payments as determined by the board.

The fund shall retain amounts accrued to the benefit of a member under the plan until a form specifying the method of distribution selected is filed with the fund by the member or an authorized representative of the member.

The board shall afford a member who selects periodic payments the opportunity at least once during each calendar year to change the member's selection.

(4) Distribution of the amount accrued to a member's benefit under the deferred retirement option plan shall not commence until the date that is the first day of the fourth year after the effective date of the election.

(5) The member shall select a plan of payment under section 742.3711 of the Revised Code for the pension payable to the member under division (C) of section 742.37 of the Revised Code, unless the member selected a plan of payment at the time of electing to participate in the plan. The pension shall commence on not later than the first day of the second month following the date the employee ceases to participate in the plan.

(C) If, at the end of the eight-year period that begins on the effective date of a member's election to participate in the plan, the member has failed to terminate active service in a police or fire department, all of the following apply:

The amounts forfeited shall be treated as if the member had continued in the active service of a police or fire department and not elected to participate in the plan.
