Ms. Bethany Rhodes, Director/General Counsel
Ohio Retirement Study Council
30 East Broad Street, 2nd Floor
Columbus, OH 43215

Dear Ms. Rhodes:

Enclosed with this letter is the annual update of SERS' compliance with its Iran and Sudan Investment Policy. SERS' policy was adopted by the Retirement Board in September 2007, and each quarter staff provides the Board with a report measuring the system's progress. The enclosed report is for the fiscal year ending June 30, 2017.

SERS' Iran and Sudan Investment Policy honors both the legislature's intent with regard to divestment, and the Board's fiduciary duties to its members. The policy provides a roadmap for staff and external investment managers regarding the engagement process with scrutinized companies on the list.

The engagement process continues to play a prominent role in SERS' divestment activities, as staff engages each company on the updated scrutinized company list each year. Our staff receives monthly updates from our independent third-party screening entity, and is in frequent communication with our external investment managers regarding the updated lists. Each year, SERS' benchmark list is reset, and our new benchmark list for the fiscal year beginning July 1, 2017 is comprised of five scrutinized companies with a total market value of \$4.57 million.

We are encouraged by the success of our divestment efforts, and we plan to continue to engage scrutinized companies to promote this issue. If we can assist you with any additional information or answer any questions, please feel free to contact me.

Sincerely,

Richard Stensrud
Executive Director
