HB 382

Sec. 145.202. An elected official of the state or of any of its political subdivisions, who continues to contribute as a member of the public employees retirement system, ~~notwithstanding section 124.85 of the Revised Code,~~ and has retired independently under Chapter 3307. or 3309. of the Revised Code, may upon termination of such elected service combine service earned under Chapter 145. of the Revised Code and have his allowance and benefits recalculated under section 145.37 of the Revised Code. Such member is eligible for an adjusted retirement allowance based on his total contributions and service credit accrued during all service under Chapter 145., and Chapters 3307. and 3309. of the Revised Code.
