

Withdrawal of exemption.

Sec. 145.28. Any public employee who exempted himself from membership *except a part-time employee who claimed exemption under the provisions of section 145.03 of the Revised Code*, may withdraw such exemption at any time and may make such payments, with regular interest thereon, as he would have made if he had been a member continuously. Such withdrawal of exemption does not entitle a member to receive prior service credit for service prior to January 1, 1935, in any capacity which comes within sections 145.01 to 145.57, inclusive, of the Revised Code, unless such member has made such payments, with regular interest thereon, as he would have made if he had been a member continuously. An employee who withdraws an exemption and makes such payments shall not become eligible for a retirement allowance as provided in section 145.32, 145.33, 145.34, 145.35, or 145.36 of the Revised Code, until after having completed three years of contributing membership in the public employees retirement system subsequent to the date of the withdrawal of such exemption. The public employees retirement board shall have full power to determine the amount and manner of such payments.

SECTION 3. Any member, eligible for any of the retirement allowances or other benefits provided in Chapters 145., 3307., and 3309. of the Revised Code as of June 30, 1959, or July 1, 1959, and who terminated his public service during the month of June, 1959, but did not file an application for retirement, may file, as provided by law, during the month of July, 1959, and shall be eligible for retirement as of June 30, 1959, or July 1, 1959, and such allowances or benefits shall be payable from and after July 1, 1959, and any such member or any member retiring on June 30, 1959, or July 1, 1959, voluntarily or otherwise, shall be eligible for allowances or benefits as computed under the provisions of this act.
