(B) This division applies to any member who is employed in a position in which the member has made an election under section 3305.05 or 3305.051 of the Revised Code and due to the election ceases to be a public employee for purposes of that position.

Subject to section 145.57 of the Revised Code, the public employees retirement system shall do the following:

(1) On receipt of a certified copy of a form evidencing an election under section 3305.05 or 3305.051 of the Revised Code, pay to the appropriate provider, in accordance with section 3305.052 of the Revised Code, the amount described in section 3305.052 of the Revised Code;

(2) If a member has accumulated contributions, in addition to those subject to division (B)(1) of this section, standing to the credit of the member's individual account and is not otherwise employed in a position in which the member is considered a public employee for the purposes of that position, pay, to the provider the member selected pursuant to section 3305.05 or 3305.051 of the Revised Code, the member's accumulated contributions. The payment shall be made on the member's application.

(C) Payment of a member's accumulated contributions under division (B) of this section cancels the member's total service credit in the public employees retirement system. A member whose accumulated contributions are paid to a provider pursuant to division (B) of this section is forever barred from claiming or purchasing service credit under the public employees retirement system for the period of employment attributable to those contributions.

Sec. 145.402. (A) As used in this section, "other retirement system" means the state teachers retirement system or the school employees retirement system.

(B) Except as provided in this section, on application, a member of the public employees retirement system who is also a member of one or both of the other retirement systems and has ceased to be a public employee for the purposes of this chapter may be paid, in accordance with section 145.40 of the Revised Code, the member's accumulated contributions to the public employees retirement system, plus any applicable amount calculated under section 145.401 of the Revised Code. This payment does not affect the

member's membership in the other retirement systems or any right the member may have to a benefit or return of contributions under those systems.

(C) This section does not apply to a member of one of the other retirement systems whose employment under that system is with the public employer that was the employer under the public employees retirement system at the time the member's service subject to this chapter terminated.

Sec. 145.43. (A) As used in this section and in section 145.45 of the Revised Code:

(1) "Child" means a biological or legally adopted child of a deceased member. If a court hearing for an interlocutory decree for adoption was held prior to the member's death, "child" includes the child who was the subject of the hearing notwithstanding the fact that the final decree of adoption, adjudging the surviving spouse as the adoptive parent, is made subsequent to the member's death.

(2) "Parent" is a parent or legally adoptive parent of a deceased member.

(3) "Dependent" means a beneficiary who receives one-half of the beneficiary's support from a member during the twelve months prior to the member's death.

(5) "Survivor" means a surviving spouse, child, or parent.

(6) "Accumulated contributions" has the meaning given in section 145.01 of the Revised Code, except that, notwithstanding that section, it does not include additional amounts deposited in the employees' savings fund pursuant to the version of division (C) of section 145.23 of the Revised Code as it existed immediately prior to April 6, 2007, or pursuant to section 145.62 of the Revised Code.

(B) Except as provided in division (C)(1) of section 145.45 of the Revised Code, should a member die before age and service retirement, the member's accumulated contributions and any applicable amount calculated under section 145.401 of the Revised Code, shall be paid to the person or persons the member has designated under section 145.431 of the Revised Code. A member may designate two or more persons as beneficiaries to be paid the accumulated account in a lump sum. Subject to rules adopted by the public employees retirement board, a member who designates two or more persons as beneficiaries shall specify the percentage of the lump sum that each beneficiary is to be paid. If the member has not specified the percentages, the lump sum shall be divided equally among the beneficiaries.
