

Group hospitalization coverage for retired persons and survivors.

Sec. 145.58. The public employees retirement board may enter into an agreement with **** insurance companies, hospital insurance associations, or government agencies* authorized to do business in the state for group **** insurance*, insuring those persons receiving superannuation or disability retirement allowances or survivor benefits subscribing to such hospitalization or group insurance plan. To effect such insurance coverage, such person must, *by written authorization, instruct* the public employees retirement

board to deduct from his retirement allowance or survivor benefit the premium agreed to be paid by him to such **** insurance company, hospital service association, or government agencies*.
(Amended in Amended Substitute House Bill No. 225)
