

Sec. 145.813. Each PERS defined contribution plan established under section 145.81 of the Revised Code shall require the public employees retirement board, or the entity administering the plan pursuant to a contract with the board, to cause an individual account to be maintained for each member participating in the plan. A plan may include deposits to the defined contribution fund. Amounts to be credited to an individual account may be deposited into any of the funds created under section 145.23 of the Revised Code or deposits under division (C) of that section to the employees' savings fund may be transferred to the entity administering the plan for deposit into the member's individual account.
