(b) The department shall develop a review process and make all adjustments of state funding to districts to reflect any participation of students in online learning schools for less than the equivalent of a full school year.

(4) Adequate provisions for: the licensing of teachers, administrators, and other professional personnel and their assignment according to training and qualifications; efficient and effective instructional materials and equipment, including library facilities; the proper organization, administration, and supervision of each school, including regulations for preparing all necessary records and reports and the preparation of a statement of policies and objectives for each school; buildings, grounds, and health and sanitary facilities and services; admission of pupils, and such requirements for their promotion from grade to grade as will ensure that they are capable and prepared for the level of study to which they are certified; requirements for graduation; and such other factors as the board finds necessary.

(C) This section does not affect any provisions for the operation of and payments to an internet- or computer-based community school prescribed in Chapter 3314. of the Revised Code.

Sec. 3304.24. Each October during national disability employment awareness month, the governor shall present an award to employers who meet the criteria for having a workplace inclusive of individuals with disabilities. The opportunities for Ohioans with disabilities agency shall determine the inclusive workplace criteria to be used to recommend employers for the award.

Sec. 3307.091. (A) Notwithstanding division (C) of section 121.22 of the Revised Code, the state teachers retirement board may adopt a policy that allows a board member to attend a meeting of the board by means of teleconference or video conference. The board shall include in the policy, if adopted, both of the following:

(1) The number of regular meetings at which each board member shall be present in person, provided that number is not less than one-half of the regular meetings of the board annually;

(2) All of the following requirements with respect to a meeting in which a member attends by means of teleconference or video conference:

(a) That at least one-third of the board members attending the meeting shall be present in person at the physical location where the meeting is conducted;

(b) That all votes taken at the meeting shall be taken by roll call vote;

(c) That a board member who intends to attend a meeting by means of

teleconference or video conference shall notify the chairperson of that intent not less than forty-eight hours before the meeting, except in the case of an emergency as defined in the policy.

(B) Notwithstanding division (C) of section 121.22 of the Revised Code, a board member who attends a meeting by means of teleconference or video conference is considered present in person at the meeting, may vote at the meeting, and is counted for purposes of determining whether a quorum is present at the meeting.

(C) At any meeting in which a board member attends by means of teleconference or video conference, the board shall ensure that the public can hear and, if the means of attendance technologically permits it, to observe, the discussions and deliberations of all the members of the board, whether the member is participating in person or electronically.

(D) Except as provided in this section, no person shall do any of the following:

(1) Limit the number of board members who may attend a meeting by means of teleconference or video conference;

(2) Limit the total number of meetings that the board may allow members to attend by means of teleconference or video conference;

(3) Limit the number of meetings at which any one board member may attend by means of teleconference or video conference;

(4) Impose other limits or obligations on a board member because the board member attends a meeting by means of teleconference or video conference.

Sec. 3307.31. (A) Payments by boards of education and governing authorities of community schools to the state teachers retirement system, as provided in sections 3307.29 and 3307.291 of the Revised Code, shall be made from the amount allocated under ~~section 3314.08~~ or Chapter 3317. of the Revised Code prior to its distribution to the individual school districts or community schools. The amount due from each school district or community school shall be certified by the secretary of the system to the superintendent of public instruction monthly, or at such times as may be determined by the state teachers retirement board.

The superintendent shall deduct, from the amount allocated to each district or community school under ~~section 3314.08~~ or Chapter 3317. of the Revised Code, the entire amounts due to the system from such district or school upon the certification to the superintendent by the secretary thereof.

The superintendent shall certify to the director of budget and management the amounts thus due the system for payment.

(B) Payments to the state teachers retirement system by a science,
