

HB 225

1310L

**Group hospitalization coverage for retired persons.**

Sec. 3307.74. The state teachers retirement board may enter

into an agreement with *\*\*\* insurance companies, hospital service associations, or government agencies* authorized to do business in the state for group hospitalization or group insurance, insuring those persons receiving *\*\*\* service* or disability retirement allowances or survivor benefits subscribing to such hospitalization or insurance plan. To effect such insurance coverage, such person must *\*\*\*, by written authorization, instruct* the state teachers retirement board to deduct from his retirement allowance or benefit the premium agreed to be paid by him to such *\*\*\* insurance companies, hospital service associations, or government agencies.* (Amended in Amended Substitute House Bill No. 225)
