

HB 225

131 CL

Adjustments in rate divided equally after January 1, 1967.

Sec. 3307.54. Beginning January 1, 1967, any adjustments required in the total rate of contributions computed by the actuary under section 3307.53 of the Revised Code, shall be divided equally between the members and their employers and the contribution rates of each under sections 3307.51 and 3307.53 of the Revised Code shall reflect such adjustments. (*Enacted in Amended Substitute House Bill No. 225*)

Effective November 13, 1965
