

N.B.1

33 O.L.

Sec. 3307.50. Until the first payment on account of any benefit is made as provided in *** section 3307.38 *** of the Revised Code, the beneficiary may elect to receive such benefit in a retirement allowance payable throughout life, or the beneficiary may then elect to receive the actuarial equivalent at that time of his annuity, his pension, or his retirement allowance, in a lesser annuity, or a lesser pension, or a lesser retirement allowance, payable throughout life with any one of the following:

(A) Option 1. Upon his death, his annuity, his pension, or his retirement allowance, shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he nominates by written designation duly acknowledged and filed with the state teachers retirement board at the time of his retirement.

(B) Option 2. Upon his death, one half of his annuity, his pension, or his retirement allowance, shall be continued throughout the life of such person, having an insurable interest in his life, as he nominates by written designation duly acknowledged and filed with the board at the time of his retirement.

(C) Option 3. Upon his death, some other portion of his

annuity, his pension, or his retirement allowance, shall be continued throughout the life of such person, having an insurable interest in his life, as he nominates by written designation duly executed and filed with the board at the time of his retirement; provided the amounts payable to him, and to such other person pursuant to such option, are certified by the actuary engaged by the board to be of equivalent actuarial value to his annuity, his pension, or his retirement allowance, and are approved by the board. The monthly amount payable to a beneficiary shall not exceed the monthly amount payable to the retirant during his lifetime.

(D) Option 4. Upon his death prior to expiration of a certain period from the date of retirement and elected by him, and approved by the state teachers retirement board, his annuity, his pension, or his retirement allowance shall be continued for the remainder of such period to the beneficiaries he has nominated by written designation duly executed and filed with the board.

Should all nominated beneficiaries die prior to expiration of the certain period, then an amount representing the present value of all payments yet remaining in such period *** shall be paid to the estate of the beneficiary last receiving.

(E) If the retirement allowances due and paid under the above provisions of this section are in a total amount less than (1) the accumulated contributions, (2) the payments for additional credit as provided by section 3307.33 of the Revised Code, (3) the deposits for additional annuity as provided by section 3307.51 of the Revised Code, (4) the deposits for restoring service credit as provided by section 3307.28 of the Revised Code, (5) any accumulated contributions described by section 3307.70 of the Revised Code, and (6) any deposits for service credit established under section 3307.73 of the Revised Code, standing to the credit of the member at the time of his retirement, then the difference between the total amount of the allowances paid and the accumulated contributions, payments, and deposits subject to refund to the member in a lump sum payment at retirement shall be paid to the beneficiary provided under division (C) of section 3307.48 of the Revised Code.
