Sec. 3307.60. (A) Upon application for retirement as provided in section 3307.58 or 3307.59 of the Revised Code, the retirant may elect a plan of payment under this division or, on and after the date specified in division (B) of this section, a plan of payment under that division. Under this division, the retirant may elect to receive a single lifetime benefit, or may elect to receive the actuarial equivalent of the retirant's benefit in a lesser amount, payable for life, and continuing after death to a beneficiary under one of the following optional plans:

(1) Option 1. The retirant's lesser benefit shall be paid for life to the sole beneficiary named at retirement.

(2) Option 2. Some other portion of the retirant's benefit shall be paid for life to the sole beneficiary named at retirement. The beneficiary's monthly amount shall not exceed the monthly amount payable to the retirant during the retirant's lifetime.

(3) Option 3. The retirant's lesser benefit established as provided under option 1 or option 2 shall be paid for life to the sole beneficiary named at retirement, except that in the event of the death of the sole beneficiary or termination of a marital relationship between the retirant and the sole beneficiary the retirant may elect to return to a single lifetime benefit

equivalent as determined by the state teachers retirement board, if, in the case of termination of a marital relationship, the election is made with the written consent of the beneficiary or pursuant to an order of the court with jurisdiction over termination of the marital relationship.

(4) Option 4. Upon the retirant's death before the expiration of a certain period from the retirement date and elected by the retirant, and approved by the board, the retirant's benefit shall be continued for the remainder of such period to the beneficiary. Monthly benefits shall not be paid to joint beneficiaries, but they may receive the present value of any remaining payments in a lump sum settlement. If all beneficiaries die before the expiration of the certain period, the present value of all payments yet remaining in such period shall be paid to the estate of the beneficiary last receiving.

(5) Option 5. A plan of payment established by the state teachers retirement board combining any of the features of options 1, 2, and 4.

(B) Beginning on a date selected by the state teachers retirement board, which shall be not later than July 1, 2004, a retirant may elect, in lieu of a plan of payment under division (A) of this section, a plan consisting of both of the following:

(1) A lump sum in an amount the member designates that constitutes a portion of the member's single lifetime benefit;

(2) Either of the following:

(a) The remainder of the retirant's single lifetime benefit;

(b) The actuarial equivalent of the remainder of the retirant's benefit in a lesser amount, payable for life, and continuing after death to a beneficiary under one of the options described in divisions (A)(1) to (5) of this section.

The amount designated by the member under division (B)(1) of this section shall be not less than six times and not more than thirty-six times the monthly amount that would be payable to the member as a single lifetime benefit and shall not result in a monthly allowance that is less than fifty per cent of that amount.

(C) Until the first payment is made to a former member under section 3307.58 or 3307.59 of the Revised Code, the former member may change

the selection of a plan of payment. ~~If death occurs prior to an election of a plan of payment~~

~~(D)(1) If a deceased member was eligible for but had not yet been awarded a service retirement benefit under section 3307.58 or 3307.59 of the Revised Code at the time of death, option 1 as provided for in division (A)(1) of this section shall be paid to the spouse or other sole dependent beneficiary.~~

~~(2) Beginning on a date selected by the board, which shall be not later than July 1, 2004, the spouse or sole beneficiary may elect, in lieu of option 1, a plan of payment consisting of both of the following:~~

~~(a) A lump sum in an amount the spouse or other sole dependent beneficiary designates that constitutes a portion of the retirant's single life annuity;~~

~~(b) The actuarial equivalent of the remainder of the retirant's single life annuity paid in a lesser amount for life to the spouse or other sole dependent beneficiary.~~

~~The amount designated by the spouse or other sole dependent beneficiary under division (D)(2)(a) of this section shall be not less than six times and not more than thirty-six times the monthly amount that would be payable as the retirant's single life annuity and shall not result in a monthly allowance that is less than fifty per cent of that monthly amount.~~

~~(C)(E) If the total benefit paid under this section is less than the balance in the teachers' savings fund, the difference shall be paid to the beneficiary provided under division (D) of section 3307.562 of the Revised Code.~~

~~(D)(F) In the case of a retirant who elected an optional plan prior to September 15, 1989:~~

~~(1) The death of the spouse or other designated beneficiary following retirement shall, at the election of the retirant, cancel any optional plan selected at retirement to provide continuing lifetime benefits to the spouse or other beneficiary and return the retirant to a single lifetime benefit equivalent as determined by the board.~~

~~(2) A divorce, annulment, or marriage dissolution shall, at the election of the retirant, cancel any optional plan selected at retirement to provide continuing lifetime benefits to the spouse as designated beneficiary and return the retirant to a single lifetime benefit equivalent as determined by the board if the election is made with the written consent of the beneficiary or pursuant to an order of a court of common pleas or the court of another state with jurisdiction over the termination of the marriage.~~

~~(E)(G) Following marriage or remarriage, a retirant may elect a new optional plan of payment based on the actuarial equivalent of the retirant's~~

single lifetime benefit, as determined by the board, except that if the retirant is receiving a retirement allowance under an optional plan that provides for continuation of benefits after death to a former spouse, the retirant may elect a new optional plan of payment only with the written consent of the former spouse or pursuant to an order of the court with jurisdiction over the termination of the marriage. Such plan shall become effective the first of the month following an application on a form approved by the board.

~~(F)~~(H)(1) Unless one of the following occurs, an application for service retirement made pursuant to section 3307.58 or 3307.59 of the Revised Code by a married person shall be considered an election of a benefit under option 2 as provided for in division (A)(2) of this section under which one-half of the lesser benefit payable during the life of the retirant will be paid after death to the retirant's spouse for life as sole beneficiary:

(a) The retirant selects an optional plan under division (A) of this section providing for payment after death to the retirant's spouse for life as sole beneficiary of more than one-half of the lesser benefit payable during the life of the retirant.

(b) The retirant submits to the retirement board a written statement signed by the spouse attesting that the spouse consents to the retirant's election to receive a single lifetime annuity or a payment under an optional benefit plan under which after the death of the retirant the surviving spouse will receive less than one-half of the lesser benefit payable during the life of the retirant.

(2) An application for retirement shall include an explanation of all of the following:

(a) That, if the member is married, unless the spouse consents to another plan of payment, the member's retirement allowance will be paid under "option 2" as provided for in division (A)(2) of this section and consist of the actuarial equivalent of the member's retirement allowance in a lesser amount payable for life and one-half of the lesser allowance continuing after death to the surviving spouse for the life of the spouse;

(3) If the retirant does not select an optional plan of payment as

described in division ~~(F)~~(H)(1)(a) of this section and the board does not receive the written statement provided for in division ~~(F)~~(H)(1)(b) of this section, it shall determine and pay the retirement allowance in accordance with this division, except that the board may provide by rule for waiver by the board of the statement and payment of the benefits other than in accordance with this division or payment under section 3307.56 of the Revised Code if the retirant is unable to obtain the statement due to absence or incapacity of the spouse or other cause specified by the board.
