(I) For the purpose of determining actuarial equivalence under this section, on the advice of an actuary employed by the board, the board shall adopt mortality tables that may take into consideration the membership experience of the state teachers retirement system and may also include the membership experience of the public employees retirement system and the school employees retirement system.

If the board determines that a disability benefit recipient is not obtaining the medical treatment or the board does not receive a required medical report, the disability benefit shall be suspended until the treatment is obtained, the report is received by the board, or the board's physician certifies that the treatment is no longer helpful or advisable. Should the recipient's failure to obtain treatment or submit a medical report continue for one year, the recipient's right to the disability benefit shall be terminated as of the effective date of the original suspension.
