

beneficiary elects to receive a benefit under division (C) of this section. Such benefit shall be exclusively governed by section 3307.57 of the Revised Code.

(G)(1) Regardless of whether the member is survived by a spouse or designated beneficiary, if the state teachers retirement system receives notice that a deceased member described in division (C)(1) or (2) of this section has one or more qualified children, all persons who are qualified survivors under division (C)(2) of this section shall receive monthly benefits as provided in division (C)(2) of this section.

If, after determining the monthly benefits to be paid under division (C)(2) of this section, the system receives notice that there is a qualified survivor who was not considered when the determination was made, the system shall, notwithstanding section 3307.42 of the Revised Code, recalculate the monthly benefits with that qualified survivor included, even if the benefits to qualified survivors already receiving benefits are reduced as a result. The benefits shall be calculated as if the qualified survivor who is the subject of the notice became eligible on the date the notice was received and shall be paid to qualified survivors effective on the first day of the first month following the system's receipt of the notice.

If the system did not receive notice that a deceased member has one or more qualified children prior to making payment under section 3307.562 of the Revised Code to a beneficiary as determined by the system, the payment is a full discharge and release of the system from any future claims under this section or section 3307.562 of the Revised Code.

(2) If benefits under division (C)(2) of this section to all persons, or to all persons other than a surviving spouse or sole beneficiary, terminate, there are no children under the age of twenty-two years, and the surviving spouse or beneficiary qualifies for benefits under division (C)(1) of this section, the surviving spouse or beneficiary may elect to receive benefits under division (C)(1) of this section. The benefit shall be calculated based on the age of the spouse or beneficiary at the time of the member's death and is effective on the first day of the month following receipt by the board of an application for benefits under division (C)(1) of this section.

(H) If the benefits due and paid under division (C) of this section are in a total amount less than the member's accumulated account that was transferred from the teachers' savings fund, school employees retirement fund, and public employees retirement fund, to the survivors' benefit fund, then the difference between the total amount of the benefits paid shall be paid to the beneficiary under section 3307.562 of the Revised Code.
