Sec. 3307.021. (A) A member may purchase service credit ~~which~~ THAT shall be considered as the equivalent of Ohio service for each year of service incurred by reason of having been on active duty as a member of the armed forces of the United States, as defined in section 3307.02 of the Revised Code. The credit may be purchased at any time. The number of years purchased under this division shall not exceed five.

(B) For the purposes of this division, "prisoner of war" means any regularly appointed, enrolled, enlisted, or inducted member of the armed forces of the United States who was captured, separated, and incarcerated by an enemy of the United States.

A member may purchase service credit ~~which~~ THAT shall be considered as the equivalent of Ohio service for each year of service such member was a prisoner of war. The number of years purchased under this division shall not exceed five. Service credit may be purchased under this division for the same years of service used to purchase service credit under division (A) of this section.

(C) The total number of years purchased under this section shall not exceed the member's total accumulated number of years of Ohio service.

(D)(1) Except as otherwise provided in division (D)(2) of this section, for each year of service purchased under division (A) or (B) of this section, the member shall pay to the state teachers retirement system for credit to his accumulated account an amount determined by the member rate of contribution in effect at the time the military service began multiplied by his annual compensation for full-time employment during the first year of service in Ohio following termination of military service. If, however, a limit on maximum salary or maximum contribution was in effect at the time the military service began, the limit shall be applied to the salary received during the first year of service in Ohio to calculate the amount of payment. To this amount shall be added an amount equal to compound interest at a rate established by the state teachers retirement board from the date active military service terminated to date of payment.

(2) For each year of service purchased under division (A) or (B) of this section for military service that commenced on or after July 1, 1989, and, without regard to when the military service commenced, for each year of service purchased under division (A) or (B) of this section by a member who first established membership in the retirement system on or after July 1, 1989, the member shall pay to the retirement system for credit to his individual account an amount specified by the state teachers retirement board ~~which~~ THAT shall be not less than fifty per cent of the additional liability resulting from the purchase of that year of service as determined by an actuary employed by the board.

(3) A member may choose to purchase only part of the credit he is eligible to purchase under this section in any one payment, subject to board rules.

(E) A member of the state teachers retirement system is ineligible to purchase service credit under this section for any year of military service

used in the calculation of any retirement benefit currently being paid to such member or payable in the future under any other retirement program except for retired pay for non-regular service under chapter 67 of Title 10, United States Code or social security. At the time the credit is purchased, the member shall certify on a form furnished by the retirement board that he does and will conform to this requirement. ~~Any benefit paid under this section to which the member is not entitled shall be recovered by any recovery procedures available under this chapter.~~

(F) Credit purchased under this section may be combined pursuant to section 3307.41 of the Revised Code with credit for military service purchased under sections 145.301 and 3309.021 of the Revised Code, except that not more than a total of five years of credit purchased under division (A) of this section, division (A) of section 145.301, and division (A) of section 3309.021 and not more than a total of five years of credit purchased under division (B) of this section, division (B) of section 145.301, and division (B) of section 3309.021 of the Revised Code shall be used in determining retirement eligibility or calculating benefits under section 3307.41 of the Revised Code.
