Unless otherwise specified in this section, it shall be calculated at the lesser of the actuarial assumption rate for that year of the state teachers retirement system or the Cincinnati retirement system. The interest shall be compounded annually.

(E) The transfer of any amount under this section cancels an equivalent amount of service credit.

(F) At the request of the Cincinnati retirement system, the state teachers retirement system shall certify to the Cincinnati retirement system a copy of the records of the service and contributions of a member or former member of the state teachers retirement system who elects to receive service credit under the Cincinnati retirement system.

Sec. 3307.77. (A) As used in this section, "employer" means the employer employing a member of the state teachers retirement system at the time the member commences an absence, or is granted a leave described in this section.

(C) If the absence or leave begins and ends in the same year, the member may purchase credit for the absence or leave by having the employer deduct and transmit to the system from payrolls in that year employee contributions on the amount certified by the employer as the compensation the member would have received had the member remained employed in the position held when the absence or leave commenced. The deductions may be made even though the minimum compensation provided by law for the member is reduced thereby, unless the amount to be deducted exceeds the compensation to be paid the member from the time deductions

The employer shall pay the system the employer contributions on the compensation amount certified under this division. Employee and employer contributions shall be made at the rates in effect at the time the absence or leave occurred. If the employee or employer rates in effect change during the absence or leave, the contributions for each month of the absence or leave shall be made at the rate in effect for that month.

(D) During or following the absence or leave, but no later than two years following the last day of the year in which the absence or leave terminates, a member may purchase credit for the absence or leave by paying to the employer, and the employer transmitting to the system, employee contributions on the amount certified by the employer as the compensation the member would have received had the member remained employed in the position held when the absence or leave commenced. The employer shall pay the system the employer contributions on the compensation amount certified under this division. Employee and employer contributions shall be made at the rates in effect at the time the absence or leave occurred. (1) An amount determined by multiplying the employee rate of contribution in effect at the time the absence or leave commenced by the member's annual compensation for the member's last full year of service prior to the commencement of the absence or leave, or, if the member has not had a full year of service, the compensation the member would have received for the year the absence or leave commenced had the member continued in service for a full year;

(2) Interest compounded annually, at a rate determined by the board, on the amount determined under division (E)(D)(1) of this section for the period commencing two years from the day following the last day of the year in which the absence or leave terminated and ending on to the date of payment;
