(A) "Employer" or "public employer" means boards of education, school districts, joint vocational districts, governing authorities of community schools established under Chapter 3314. of the Revised Code, educational institutions, technical colleges, state, municipal, and community colleges, community college branches, universities, university branches, other educational institutions, or other agencies within the state by which an employee is employed and paid, including any organization using federal funds, provided the federal funds are disbursed by an employer as determined by the above. In all cases of doubt, the school employees retirement board shall determine whether any employer is an employer as defined in this chapter, and its decision shall be final.

(B) "Employee" means all of the following:

(1) Any person employed by a public employer in a position for which the person is not required to have a certificate or license issued pursuant to sections 3319.22 to 3319.31 of the Revised Code;

(2) Any person who performs a service common to the normal daily operation of an educational unit even though the person is employed and paid by one who has contracted with an employer to perform the service, and the contracting board or educational unit shall be the employer for the purposes of administering the provisions of this chapter;

(3) Any person, not a faculty member, employed in any school or college or other institution wholly controlled and managed, and wholly or partly supported by the state or any political subdivision thereof, the board of trustees, or other managing body of which shall accept the requirements and obligations of this chapter.

In all cases of doubt, the school employees retirement board shall determine whether any person is an employee, as defined in this division, and its decision is final.

(C) "Prior service" means all service rendered prior to September 1, 1937:

(1) As an employee as defined in division (B) of this section;

(2) As an employee in a capacity covered by the public employees retirement system or the state teachers retirement system;

(3) As an employee of an institution in another state, service credit for which was procured by a member under the provisions of section 3309.31 of the Revised Code.

Prior service, for service as an employee in a capacity covered by the public employees retirement system or the state teachers

retirement system, shall be granted a member under qualifications identical to the laws and rules applicable to service credit in those systems.

Prior service shall not be granted any member for service rendered in a capacity covered by the public employees retirement system, the state teachers retirement system, and this system in the event the service credit has, in the respective systems, been received, waived by exemption, or forfeited by withdrawal of contributions, except as provided in this chapter.

If a member who has been granted prior service should, subsequent to September 16, 1957, and before retirement, establish three years of contributing service in the public employees retirement system, or one year in the state teachers retirement system, then the prior service granted shall become, at retirement, the liability of the other system, if the prior service or employment was in a capacity that is covered by that system.

The provisions of this division shall not cancel any prior service granted a member by the school employees retirement board prior to August 1, 1959.

(D) "Total service," "total service credit," or "Ohio service credit" means all contributing service of a member of the school employees retirement system, and all prior service, computed as provided in this chapter, and all service established pursuant to sections 3309.31, 3309.311, and 3309.33 of the Revised Code. Subsequent to June 30, 1959, the retirement board shall discontinue the annual crediting of current interest on a contributor's accumulated contributions. Noncrediting of current interest shall not affect the rate of interest at retirement guaranteed under this division.
