

Sub. S. B. No. 341

129th G.A.

13

(B) In exercising its fiduciary responsibility with respect to the investment of the funds, it shall be the intent of the board to give consideration to investments that enhance the general welfare of the state and its citizens where the investments offer quality, return, and safety comparable to other investments currently available to the board. In fulfilling this intent, equal consideration shall also be given to investments otherwise qualifying under this section that involve minority owned and controlled firms and firms owned and controlled by women, either alone or in joint venture with other firms.

The board shall adopt, in regular meeting, policies, objectives, or criteria for the operation of the investment program that include asset allocation targets and ranges, risk factors, asset class benchmarks, time horizons, total return objectives, and performance evaluation guidelines. In adopting policies and criteria for the selection of agents with whom the board may contract for the administration of the funds, the board shall comply with sections 3309.157 and 3309.159 of the Revised Code and shall also give equal consideration to minority owned and controlled firms, firms owned and controlled by women, and ventures involving minority owned and controlled firms and firms owned and controlled by women that otherwise meet the policies and criteria established by the board. Amendments and additions to the policies and criteria shall be adopted in regular meeting. The board shall publish its policies, objectives, and criteria under this provision no less often than annually and shall make copies available to interested parties.

~~When reporting on the performance of investments, If the board contracts with a person, including an agent or investment manager, for the management or investment of the funds, the board shall require the person to comply with the global investment performance presentation standards established by the association for investment management and research chartered financial analyst institute, or a successor organization, when reporting on the performance of investments.~~

(C) All evidences of title of investments purchased by the board under this section shall be delivered to the treasurer of state, who is hereby designated as custodian thereof, or to the treasurer of state's authorized agent, and the treasurer of state or the agent shall collect principal, interest, dividends, and distributions that become due and payable and place the same when so collected into the custodial funds. Evidences of title of the investments may be deposited by the treasurer of state for safekeeping with an authorized agent, selected by the treasurer of state, who is a qualified trustee under section 135.18 of the Revised Code. The treasurer of state

shall pay for the investments purchased by the board pending receipt of the evidence of title of the investments by the treasurer of state or to the treasurer of state's authorized agent, and on receipt of written or electronic instructions from the board or the board's designated agent authorizing the purchase. The board may sell any investments held by the board, and the treasurer of state or the treasurer of state's authorized agent shall accept payment from the purchaser and deliver evidence of title of the investment to the purchaser on receipt of written or electronic instructions from the board or the board's designated agent authorizing the sale, and pending receipt of the moneys for the investments. The amount received shall be placed into the custodial funds. The board and the treasurer of state may enter into agreements to establish procedures for the purchase and sale of investments under this division and the custody of the investment.

(D) No purchase or sale of any investment shall be made under this section except as authorized by the school employees retirement board.

(E) Any statement of financial position distributed by the board shall include the fair value, as of the statement date, of all investments held by the board under this section.

Sec. 3309.21. (A) The school employees retirement board shall have prepared annually by or under the supervision of an actuary an actuarial valuation of the pension assets, liabilities, and funding requirements of the school employees retirement system as established pursuant to this chapter. The actuary shall complete the valuation in accordance with actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries and prepare a report of the valuation. The report shall include all of the following:

- (1) A summary of the benefit provisions evaluated;
- (2) A summary of the census data and financial information used in the valuation;
- (3) A description of the actuarial assumptions, actuarial cost method, and asset valuation method used in the valuation, including a statement of the assumed rate of payroll growth and assumed rate of growth or decline in the number of members contributing to the retirement system;
- (4) A summary of findings that includes a statement of the actuarial accrued pension liabilities and unfunded actuarial accrued pension liabilities;
- (5) A schedule showing the effect of any changes in the benefit provisions, actuarial assumptions, or cost methods since the last annual actuarial valuation;
- (6) A statement of whether contributions to the retirement system are

expected to be sufficient to satisfy the funding objectives established by the board.

The board shall submit the report to the Ohio retirement study council and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation not later than the first day of May following the year for which the valuation was made.

(B) At such times as the school employees retirement board determines, and at least once in each quinquennial period, the board shall have prepared by or under the supervision of an actuary an actuarial investigation of the mortality, service, and other experience of the members, retirants, and beneficiaries of the retirement system, and SERS retirants and other system retirants as defined in section 3309.341 of the Revised Code to update the actuarial assumptions used in the actuarial valuation required by division (A) of this section. The actuary shall prepare a report of the actuarial investigation. The report shall be prepared and any recommended changes in actuarial assumptions shall be made in accordance with the actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries. The report shall include all of the following:

- (1) A summary of relevant decrement and economic assumption experience observed over the period of the investigation;
- (2) Recommended changes in actuarial assumptions to be used in subsequent actuarial valuations required by division (A) of this section;
- (3) A measurement of the financial effect of the recommended changes in actuarial assumptions.

The board shall submit the report to the Ohio retirement study council and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation not later than the first day of May following the last fiscal year of the period the report covers.

(C) The board may at any time request the actuary to make any studies or actuarial valuations to determine the adequacy of the rates of contribution as provided by section 3309.49 of the Revised Code, and those rates may be adjusted by the board, as recommended by the actuary, effective as of the first of any year thereafter.

(D) The board shall have prepared by or under the supervision of an actuary an actuarial analysis of any introduced legislation expected to have a measurable financial impact on the retirement system. The actuarial analysis shall be completed in accordance with the actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries. The actuary shall prepare a report of the actuarial analysis, which

shall include all of the following:

- (1) A summary of the statutory changes that are being evaluated;
- (2) A description of or reference to the actuarial assumptions and actuarial cost method used in the report;
- (3) A description of the participant group or groups included in the report;
- (4) A statement of the financial impact of the legislation, including the resulting increase, if any, in the employer normal cost percentage; the increase, if any, in actuarial accrued liabilities; and the per cent of payroll that would be required to amortize the increase in actuarial accrued liabilities as a level per cent of covered payroll for all active members over a period not to exceed thirty years;
- (5) A statement of whether the scheduled contributions to the system after the proposed change is enacted are expected to be sufficient to satisfy the funding objectives established by the board.

Not later than sixty days from the date of introduction of the legislation, the board shall submit a copy of the actuarial analysis to the legislative service commission, the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation, and the Ohio retirement study council.

(E) The board shall have prepared annually a report giving a full accounting of the revenues and costs relating to the provision of benefits under sections 3309.375 and 3309.69 of the Revised Code. The report shall be made as of June 30, 1997, and the thirtieth day of June of each year thereafter. The report shall include the following:

- (1) A description of the statutory authority for the benefits provided;
- (2) A summary of the benefits;
- (3) A summary of the eligibility requirements for the benefits;
- (4) A statement of the number of participants eligible for the benefits;
- (5) A description of the accounting, asset valuation, and funding method used to provide the benefits;
- (6) A statement of the net assets available for the provision of the benefits as of the last day of the fiscal year;
- (7) A statement of any changes in the net assets available for the provision of benefits, including participant and employer contributions, net investment income, administrative expenses, and benefits provided to participants, as of the last day of the fiscal year;
- (8) For the last six consecutive fiscal years, a schedule of the net assets available for the benefits, the annual cost of benefits, administrative expenses incurred, and annual employer contributions allocated for the

provision of benefits;

(9) A description of any significant changes that affect the comparability of the report required under this division;

(10) A statement of the amount paid under division ~~(C)~~(E) of section 3309.69 of the Revised Code.

The board shall submit the report to the Ohio retirement study council and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation not later than the thirty-first day of December following the year for which the report was made.
