

Sec. 3309.262. After receiving a request from the public employees retirement system under division (A) of section 145.311 or the state teachers retirement system under division (A) of section ~~3307.282~~ 3307.711 of the Revised Code, the school employees retirement system shall do both of the following:

(A) Calculate and certify to the requesting retirement system the cost to a former member to restore service credit under section 3309.26 of the Revised Code for each year or portion of a year for which the former member seeks to purchase service credit under that section.

(B) Inform the requesting retirement system of the rate of interest charged to a member under a payroll deduction plan authorized under section 3309.27 of the Revised Code.
