M.B. 1

**Sec. 3309.30 (7896-93). Service credit.**

For eight months or more of service on a full-time basis within any year beginning the first day of July and ending the thirtieth day of June following, the *school employees* retirement board shall credit any \*\*\* *employee* with a year of service, except that credit granted prior to \*\*\* *June 14, 1951*, shall not be changed \*\*\* to the disadvantage of the member. The \*\*\* board shall fix and determine by appropriate rules and regulations how much credit shall be given for parts thereof, but in computing such service, or in computing final average salary, it shall credit not more than one year for all service rendered in any year.

Where a member is also a member of the state teachers retirement system, the public \*\*\* *employees* retirement system, or both, then at retirement, adjustment shall be made so that contributions in \*\*\* the *school employees retirement* system together with contributions in the other retirement systems shall not exceed the maximum the member could contribute to \*\*\* *the school employees* retirement system during any period and further that service credit for any period shall be credited on the basis of the ratio that contributions to \*\*\* *the school employees* retirement system bears to the total contributions in all the retirement systems.

Effective October 1, 1953
