Sec. 3309.43. A member of the school employees retirement system who has ceased to be an employee, and who is also a member of either the public employees retirement system or the state teachers retirement system, or both, may not withdraw his accumulated contributions ~~before retirement~~, unless he also withdraws his contributions from such other systems. The school employees retirement board may waive the annual expense fee where a member is contributing to another state retirement system provided such member is not at the same time contributing to the school employees retirement system.
