

(2) A member described in division (A)(1) of this section who is married at the time of application for payment and would be eligible for age and service retirement under section 3309.34, 3309.36, or 3309.40 of the Revised Code but for a forfeiture ordered under division (A) or (B) of section 2929.192 of the Revised Code shall submit with the application a written statement by the member's spouse attesting that the spouse consents to the payment of the member's accumulated contributions. Consent shall be valid only if it is signed and witnessed by a notary public. The board may waive the requirement of consent if the spouse is incapacitated or cannot be located, or for any other reason specified by the board. Consent or waiver is effective only with regard to the spouse who is the subject of the consent or waiver.

(B) This division applies to any member who is employed in a position in which the member has elected under section 3305.05 or 3305.051 of the Revised Code to participate in an alternative retirement plan and due to the election ceases to be an employee for purposes of that position.

Subject to ~~sections 3309.43 and~~ section 3309.67 of the Revised Code, the school employees retirement system shall do the following:

(1) On receipt of an election under section 3305.05 or 3305.051 of the Revised Code, pay, in accordance with section 3305.052 of the Revised Code, the amount described in that section to the appropriate provider;

(2) If a member has accumulated contributions, in addition to those subject to division (B)(1) of this section, standing to the credit of the member's individual account and is not otherwise in a position in which the member is considered an employee for the purposes of that position, pay, to the provider the member selected pursuant to section 3305.05 or 3305.051 of the Revised Code, the accumulated contributions standing to the credit of the member's individual account in the employees' saving fund. The payment shall be made on the member's application.

(C) Payment of a member's accumulated contributions under this section cancels the member's total service credit in the school employees retirement system. A member whose accumulated contributions are paid to a provider pursuant to division (B) of this section is forever barred from claiming or purchasing service credit under the school employees retirement system for the period of employment attributable to those contributions.

Sec. 3309.43. (A) As used in this section, "other retirement system" means the public employees retirement system or the state teachers retirement system.

(B) Except as provided in division (C) of this section, on application, a member of the school employees retirement system who is also a member of

one or both of the other retirement systems and has ceased to be an employee under this chapter may be paid, in accordance with section 3309.42 of the Revised Code, the member's accumulated contributions to the school employees retirement system. This payment does not affect the member's membership in the other retirement systems or any right the member may have to a benefit or return of contributions under those systems.

(C) This section does not apply to a member of one of the other retirement systems whose employment under that system is with the public employer that was the employer under the school employees retirement system at the time the member's service subject to this chapter terminated.

Sec. 3309.45. Except as provided in division (C)(1) of this section, in lieu of accepting the payment of the accumulated account of a member who dies before service retirement, the beneficiary, as determined in section 3309.44 of the Revised Code, may elect to forfeit the accumulated account and to substitute certain other benefits either under division (A) or (B) of this section.

(A)(1) If a deceased member was eligible for a service retirement allowance as provided in section 3309.36 or 3309.381 of the Revised Code, a surviving spouse or other sole dependent beneficiary may elect to receive a monthly benefit computed as the joint-survivor allowance designated as "plan D" in section 3309.46 of the Revised Code, which the member would have received had the member retired on the last day of the month of death and had the member at that time selected such joint-survivor plan. Payment shall begin with the month subsequent to the member's death.

(2) Beginning on a date selected by the school employees retirement board, which shall be not later than July 1, 2004, a surviving spouse or other sole dependent beneficiary may elect, in lieu of a monthly payment under division (A)(1) of this section, a plan of payment consisting of both of the following:

(a) A lump sum in an amount the surviving spouse or other sole dependent beneficiary designates that constitutes a portion of the allowance that would be payable under division (A)(1) of this section;

(b) The remainder of that allowance in monthly payments.

The total amount paid as a lump sum and a monthly benefit shall be the actuarial equivalent of the amount that would have been paid had the lump sum not been selected.

The lump sum amount designated by the surviving spouse or other sole dependent beneficiary under division (A)(2)(a) of this section shall be not less than six times and not more than thirty-six times the monthly amount
