

transferred from the annuity and pension reserve fund to another fund as may be required. In determining the amount of a member's account following the termination of disability retirement for any reason, the amount paid shall be charged against the member's refundable account.

If a disability allowance paid under section 3309.401 of the Revised Code is terminated for any reason, the reserve on the allowance at that time in the annuity and pension reserve fund shall be transferred from that fund to the employers' trust fund.

The board may terminate a disability benefit at the request of the recipient.

(G) If a disability benefit is terminated and a former disability benefit recipient again becomes a contributor, other than as an other system retirant as defined in section 3309.341 of the Revised Code, to this system, the public employees retirement system, or the state teachers retirement system, and completes an additional two years of service credit after the termination of the disability benefit, the former disability benefit recipient shall be entitled to full service credit for the period as a disability benefit recipient.

(H) If any employer employs any member who is receiving a disability benefit, the employer shall file notice of employment with the retirement board, designating the date of employment. In case the notice is not filed, the total amount of the benefit paid during the period of employment prior to notice shall be paid from amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the Revised Code prior to its distribution to the school district in which the disability benefit recipient was so employed.

Sec. 3309.48. Any employee who left the service of an employer after attaining age sixty-five or over and such employer had failed or refused to deduct and transmit to the school employees retirement system the employee contributions as required by section 3309.47 of the Revised Code during any year for which membership was compulsory as determined by the school employees retirement board, shall be granted service credit without cost, which shall be considered as total service credit for the purposes of meeting the qualifications for service retirement provided by the law in effect on and retroactive to the first eligible retirement date following the date such employment terminated, but shall not be paid until formal application for such allowance on a form provided by the retirement board is received in the office of the retirement system. The total service credit granted under this section shall not exceed ten years for any such employee.

The liability incurred by the retirement board because of the service credit granted under this section shall be determined by the retirement board, the cost of which shall be equal to an amount that is determined by

applying the combined employee and employer rates of contribution against the compensation of such employee at the rates of contribution and maximum salary provisions in effect during such employment for each year for which credit is granted, together with interest at the rate to be credited accumulated contributions at retirement, compounded annually from the first day of the month payment was due the retirement system to and including the month of deposit, the total amount of which shall be collected from the employer. Such amounts shall be certified by the retirement board to the superintendent of public instruction, who shall deduct the amount due the system from any funds due the affected school district under ~~Chapter~~ Chapters 3306. and 3317. of the Revised Code. The superintendent shall certify to the director of budget and management the amount due the system for payment. The total amount paid shall be deposited into the employers' trust fund, and shall not be considered as accumulated contributions of the employee in the event of ~~his~~ the employee's death or withdrawal of funds.

Sec. 3309.51. (A) Each employer shall pay annually into the employers' trust fund, in such monthly or less frequent installments as the school employees retirement board requires, an amount certified by the school employees retirement board, which shall be as required by Chapter 3309. of the Revised Code.

Payments by school district boards of education to the employers' trust fund of the school employees retirement system may be made from the amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the Revised Code prior to their distribution to the individual school districts. The amount due from each school district may be certified by the secretary of the system to the superintendent of public instruction monthly, or at such times as is determined by the school employees retirement board.

Payments by governing authorities of community schools to the employers' trust fund of the school employees retirement system shall be made from the amounts allocated under section 3314.08 of the Revised Code prior to their distribution to the individual community schools. The amount due from each community school shall be certified by the secretary of the system to the superintendent of public instruction monthly, or at such times as determined by the school employees retirement board.

Payments by a science, technology, engineering, and mathematics school to the employers' trust fund of the school employees retirement system shall be made from the amounts allocated under section 3326.33 of the Revised Code prior to their distribution to the school. The amount due from a science, technology, engineering, and mathematics school shall be certified by the secretary of the school employees retirement system to the
