Employer contribution rate for 1966.

Sec. 3309.491. In determining the employer contribution rate for the year beginning January 1, 1966 and ending December 31, 1966, the procedure as set forth in section 3309.49 of the Revised Code may be waived for such period and the employer con-

tribution rate for the calendar year beginning January 1, 1966 shall be established at ten per cent and based on the total employee payroll for the fiscal period beginning on July 1, 1965 and ending on June 30, 1966. (Enacted in Amended Substitute House Bill No. 225)
