For each year of credit purchased, the member shall pay to the fund an amount equal to the additional

liability resulting from the purchase of credit for that year. Payment shall be made in full at the time of purchase.

(C) The number of years of service purchased under this section shall not exceed five.

(D) A member may not purchase credit under this section for service that is used in the calculation of any public or private retirement benefit, other than federal social security benefits, currently being paid or payable in the future to the member.

(E) If the member does not retire within ninety days after purchasing credit under this section, the fund shall withdraw the credit and refund the amount paid by the member.
