(A) Persons who were receiving benefit or pension payments from a police relief and pension fund, established under section 741.32 of the Revised Code, or from a firemen's relief and pension fund, established under section 521.02 or 741.02 of the Revised Code, at the time the assets of such fund were transferred to the police and firemen's disability and pension fund, as provided by section 742.26 of the Revised Code, shall receive benefit and pension payments from the police and firemen's disability and pension fund in the same amount and subject to the same conditions as such payments were being made from such fund on the date of such transfer.

(B) A member of the fund who, pursuant to law, elected to receive benefits and pensions from a police relief and pension fund, established under section 741.32 of the Revised Code, or from a firemen's relief and pension fund, established under section 741.02 of the Revised Code, in accordance with the rules of such fund governing the granting of benefits or pensions therefrom in force on April 1, 1947, shall receive benefits and pensions from the police and firemen's disability and pension fund in accordance with such rules, provided that such a member of the fund who is not receiving a benefit or pension from the fund on August 12, 1975, may, upon application for a benefit or pension to be received on or after August 12, 1975, elect to receive a benefit or pension in accordance with the provisions of division (C) of this section.

(C) Members of the fund who have not elected to receive benefits and pensions from a police relief and pension fund or a firemen's relief and pension fund in accordance with the rules of such fund in force on April 1, 1947, shall receive pensions and benefits in accordance with the following provisions:

(1) A member of the fund who has completed twenty-five years of active service in the police or fire department of a municipal corporation or a fire department of a township and has attained fifty-two years of age may, at his election, retire from the police or fire department, and upon notifying the board in writing of such election, shall receive an annual pension, payable in twelve monthly installments, in an amount equal to a percentage of his average annual salary, such percentage being the sum of two and one-half per cent for each of the first twenty years he was in the active service of such department, plus two per cent for each of the twenty-first to twenty-fifth years he was in the active service of such department, plus one and one-half per cent for each year in excess of twenty-five years he was in the active service of such department. Such annual pension shall not exceed seventy-two per cent of the member's average annual salary.

(2) A member of the fund who is permanently and totally disabled as the result of the performance of his official duties as a member of a police or fire department of a municipal corporation or a fire department of a township, shall be paid annual disability benefits until death, payable in twelve monthly installments, in an amount equal to seventy-two per cent of his annual salary for the last year he was in the active service of such police or fire department.

(3) A member of the fund who is partially disabled as the result of the performance of his official duties as a member of a police or fire department of a municipal corporation or a fire department of a township, such disability preventing him from performing those duties and impairing his earning capacity, shall receive annual disability benefits, payable in twelve monthly installments, in an amount to be fixed by the board. The board may increase or decrease such benefits whenever the impairment of the member's earning capacity warrants an increase or decrease, but in no event shall a benefit paid to such member exceed sixty per cent of his average annual salary. Each such member who has completed twenty-five or more years of active service in the department shall receive annual disability benefits, payable in twelve monthly installments, in an amount equal to a percentage of his average annual salary, such percentage being the sum of two and one-half per cent for each of the first twenty years he was in the active service of

such department, plus two per cent for each of the twenty-first to twenty-fifth years he was in the active service of such department, plus one and one-half per cent for each year in excess of twenty-five years he was in the active service of such department. Such annual disability benefit shall not exceed seventy-two per cent of the member's average annual salary.

(4) A member of the fund who is disabled as a result of heart disease, which disease or any evidence of which disease was not revealed by the physical examination passed by the member upon entry into the department, is presumed to have incurred the disease while performing his official duties as a member of such department, unless the contrary is shown by competent evidence.

If such disability prevents the member from performing his official duties and impairs his earning capacity he shall be paid annual disability payments in accordance with division (C)(2) or (3) of this section.

A member of the fund who applies for disability benefits as a result of heart disease not revealed by the physical examination passed by the member upon entry into the department shall be examined by three physicians; one of whom shall be designated by the municipal corporation; another of whom shall be designated by the board of trustees of the police and firemen's disability and pension fund; and the third of whom shall be selected by the other two previously designated physicians. Each examining physician shall submit a written report of his findings to the board.

(5) A member of the fund who has completed five or more years of active service in the police or fire department of a municipal corporation or a fire department of a township and has incurred disability not caused or induced by the actual performance of his official duties as a member of such department, or by his own negligence, such disability preventing him from performing his official duties as a member of the department and impairing his earning capacity, shall receive annual disability benefits, payable in twelve monthly installments, in an amount to be fixed by the board. The board may increase or decrease such monthly benefits whenever the impairment in the member's earning capacity warrants an increase or decrease, but in no event shall a benefit paid to such member exceed an amount equal to a percentage of his average annual salary, such percentage being the sum of two and one-half per cent for each of the first twenty years he was in the active service of such department, plus two per cent for each of the twenty-first to twenty-fifth years he was in the active service of such department, plus one and one-half per cent for each year in

excess of twenty-five years he was in the active service of the department, or sixty per cent of such average annual salary, whichever is smaller.

(6) A member of the fund who has served fifteen or more years as an active member of the police or fire department of a municipal corporation or a fire department of a township and who voluntarily resigns or is discharged from such department for any reason other than dishonesty, cowardice, intemperate habits, or conviction of a felony, shall receive an annual pension, payable in twelve monthly installments, in an amount equal to one and one-half per cent of his average annual salary multiplied by the number of full years he was in the active service of the department. Such pension payments shall not commence until the member has attained the age of fifty-two years and until twenty-five years have elapsed from the date on which he became a full-time regular policeman or fireman in the department.

(7) A member of the fund who has completed fifteen or more years of active service in the police or fire department of a municipal corporation or a fire department of a township, and who has attained sixty-two years of age, may retire from the department and, upon notifying the board in writing of such election to retire, shall receive an annual pension, payable in twelve monthly installments, in an amount equal to a percentage of his average annual salary, such percentage being the sum of two and one-half per cent for each of the first twenty years he was in the active service of such department, plus two per cent for each of the twenty-first to twenty-fifth years he was in the active service of such department, plus one and one-half per cent for each year in excess of twenty-five years he was in the active service of such department. Such annual pension shall not exceed seventy-two per cent of the member's average annual salary.

(8) A member of the fund who has completed twenty-five years of active service in the police or fire department of a municipal corporation or a fire department of a township and who resigns or is discharged from such service before he attains fifty-two years of age, may leave the sum deducted from his salary on deposit to his credit in the pension fund. Upon attaining forty-eight, forty-nine, fifty, or fifty-one years of age, such member may elect to receive a reduced benefit as determined by the following schedule:

ATTAINED AGE	REDUCED BENEFIT
48	seventy-five per cent of normal service pension benefit

Effective
April 9, 1981

- 49 eighty per cent of normal service pension benefit
- 50 eighty-six per cent of normal service pension benefit
- 51 ninety-three per cent of normal service pension benefit

A member of the fund who has completed twenty-five years of service in the police or fire department of a municipal corporation or a fire department of a township and who remains in the active service of such department may, upon attaining forty-eight, forty-nine, fifty, or fifty-one years of age, elect to retire and receive a reduced benefit determined by the above schedule. Once a member elects to receive a reduced benefit determined by the above schedule and has received a payment, he may not reelect to change such election.

If a member who has resigned or been discharged has left the sum deducted from his salary on deposit to his credit in the pension fund pursuant to this division and has not elected to receive a reduced benefit determined by the above schedule, he shall, upon attaining fifty-two years of age, be entitled to receive a normal service pension benefit computed and paid under division (C)(1) of this section.

If a member covered by this division dies prior to the time he has received a payment and leaves a surviving spouse or dependent child, such surviving spouse or dependent child shall receive a pension under division (D) or (E) of this section.

(9) Notwithstanding divisions (A), (B), and (C)(1) to (8) of this section, no person shall be eligible to receive a disability benefit or normal service pension benefit or other benefit while contributing to the police and firemen's disability and pension fund, provided, however, that any person who applies for a normal service pension benefit or other benefit or is granted a disability benefit from the fund may elect to waive such benefit for the period in which he desires to remain in the active service of a municipal police or fire department or township fire department, and shall not be excluded from continued membership in the police and firemen's disability and pension fund. Any person who elects to receive any benefit as enumerated above shall be barred from future membership in the police and firemen's disability and pension fund. However, nothing in this section shall prevent a person from continuing or resuming employment as an employee as that term is defined in division (C) of section 742.01 of the Revised Code.

(D) A surviving spouse of a deceased member of the fund shall receive a pension of two hundred ten dollars per month during the natural life of the surviving spouse or until such sur-

viving spouse remarries, EXCEPT THAT BENEFITS TERMINATED UNDER THIS DIVISION DUE TO A FIRST REMARRIAGE SHALL RESUME IF THE REMARRIAGE CEASES WITHIN TWO YEARS DUE TO DIVORCE, ANNULMENT, DISSOLUTION, OR DEATH.

(E) Each surviving child of a deceased member of the fund shall receive a pension of sixty-eight dollars per month until such child attains the age of eighteen years, or marries, whichever event occurs first. Benefits under this division, however, shall continue to be payable to a child under age twenty-two who is a student in and attending an institution of learning or training pursuant to a program designed to complete in each school year the equivalent of at least two-thirds of the full-time curriculum requirements of such institution, as determined by the pension board. If any surviving child, regardless of his age at the time of the member's death, because of physical or mental disability, is totally dependent upon such deceased member for support at the time of his decease, he shall receive a pension of sixty-eight dollars per month during his natural life or until he has recovered from such disability.

(F) If a deceased member of the fund leaves no surviving spouse or surviving children, but leaves two parents dependent upon him for support, each parent shall be paid a monthly pension of seventy-nine dollars. If there is only one parent dependent upon such member for support, such parent shall be paid a monthly pension of one hundred fifty-eight dollars. The pensions provided for in this division shall be paid during the natural life of the surviving parents or until dependency ceases, or until remarriage, whichever event occurs first.

(G) A member of the fund who voluntarily resigns or is removed from active service in a police or fire department of a municipal corporation or a fire department of a township is entitled to receive an amount equal to the sums deducted from his salary and credited to his account in the police and firemen's disability and pension fund.

(H) On and after January 1, 1970, all pensions shall be increased in accordance with the following provisions:

(1) A member of the fund who retired prior to January 1, 1967, has attained age sixty-five on January 1, 1970, and was receiving a pension on December 31, 1969, pursuant to division (B) or divisions (C)(1), (2), (3), (4), and (5) of this section, shall have such pension increased by ten per cent.

(2) The monthly pension payable to eligible surviving spouses under division (D) of this section shall be increased by forty dollars for each surviving spouse receiving a pension on December 31, 1969.

Effective: -

(3) The monthly pension payable to each eligible child under division (E) of this section shall be increased by ten dollars for each child receiving a pension on December 31, 1969.

The monthly pension payable to each eligible dependent under division (F) of this section shall be increased by ten dollars for each parent receiving a pension on December 31, 1969.

(5) A member of the fund, including a survivor of a member, who is receiving a pension in accordance with the rules governing the granting of pensions and benefits in force on April 1, 1947, which provide an increase in the original pension from time to time pursuant to changes in the salaries of active members, shall not be eligible for the benefits provided in this division.

(I) On and after January 1, 1977, a member of the fund who was receiving a pension or benefit on December 31, 1973, under division (A), (B), (C)(1), (2), or (7) of this section shall have such pension or benefit increased as follows:

(1) If his annual pension or benefit is less than two thousand seven hundred dollars, it shall be increased to three thousand dollars;

(2) If his annual pension or benefit is two thousand seven hundred dollars or more, it shall be increased by three hundred dollars.

The following shall not be eligible to receive increased pensions or benefits as provided in this division:

(c) A member of the fund who is receiving a pension under division (C)(1) of this section, based on funded volunteer or funded part-time service.

(J) On and after July 1, 1977, a member of the fund who was receiving an annual pension or benefit on December 31, 1973, pursuant to division (B) of this section based upon partial disability, off-duty disability, or early vested service, or pursuant to division (C)(3), (5), or (6) of this section, shall have such annual pension or benefit increased by three hundred dollars.

SECTION 3. The provisions of this act with respect to the receipt of survivor's benefits by surviving spouses whose first remarriage was terminated within two years due to divorce, annulment, dissolution, or death shall apply to any surviving spouse whose benefits were terminated due to remarriage, but such survivor's benefits shall be paid only from the effective date of this act.
