Ms. Bethany Rhodes, Director Ohio Retirement Study Council 88 E. Broad St., Suite 1175 Columbus, OH 43215

Dear Ms. Rhodes:

In accordance with Section 3307.041, Revised Code, STRS Ohio is submitting its proposed fiscal 2023 budgets. The attached information is composed of the following:

- Page 1 is a statement of planned operating expenditures, including comparisons to the fiscal 2022 budget.
- Page 2 is a statement of capital expenditures, including comparisons to the fiscal 2022 budget and summary of investment assets and related management costs for fiscal 2021 including comparisons to fiscal 2020.
- Page 3 is a schedule of retirement board-related expenses for the last 10 years and a 10-year trend chart.
- Page 4 is a summary of staff training and travel expenses, including comparisons to the fiscal 2022 budget.
- Page 5 is supplementary statistical information for fiscal years 2017–2021.

The proposed operating budget for the fiscal year ended June 30, 2023, reflects an increase of 4.9% from the current year budget. This includes an increase in personnel costs due to fiscal 2023 having 27-pay periods (which occurs approximately every 10–11 years), 3% merit increases (including promotions) and incentive compensation for eligible investment associates to reflect expected higher relative performance. There are 521 full-time equivalent associates (FTE's) included in the proposed budget, a decrease of nine from 530 FTE's in fiscal 2022. Custodial banking fees are higher due to projected higher asset values and new required regulatory changes. Computer technology reflects increased multi-factor authentication usage by members and employers and expanded Microsoft tools and services. The proposed budget reflects a decrease in Ohio Retirement Study Council expenses due to fiduciary and actuarial audit costs budgeted in fiscal 2022.

The proposed capital budget is \$7.9 million in fiscal 2023 compared to \$9.1 million in fiscal 2022 and reflects a decrease of \$1.2 million or 13.7%. The capital budget provides financial support for major planned initiatives including the cloud-based investment portfolio management system and human resource and finance system, as well as building improvements and maintenance.

Overall, the proposed budgets continue to provide the resources we need to pay timely and accurate pension benefits and provide health care to members, successfully manage investment assets and ensure we meet all fiduciary responsibilities and legal requirements. Additionally, the proposed budgets comply with all Retirement Board policies and demonstrate to members that STRS Ohio is managing operating and capital expenditures prudently.

These proposed fiscal year 2023 budgets were provided to the Retirement Board this month to review. Please feel free to contact me if you want additional information.

Sincerely,

William J. Neville Executive Director
