fiscal year shall not revert to the treasury of the municipal corporation but shall be retained in the fund.

(C) As used in this section:

(1) "County-operated municipal court" has the same meaning as in section 1901.03 of the Revised Code.

(2) "Community control sanction" has the same meaning as in section 2929.01 of the Revised Code.

Sec. 742.14. (A) The board of trustees of the Ohio police and fire pension fund shall have prepared triennially by or under the supervision of an actuary an actuarial valuation of the pension assets, liabilities, and funding requirements of the Ohio police and fire pension fund as established pursuant to sections 742.01 to 742.61 of the Revised Code. The actuary shall complete the valuation in accordance with actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries and prepare a report of the valuation. The report shall include all of the following:

(1) A summary of the benefit provisions evaluated;

(2) A summary of the census data and financial information used in the valuation;

(3) A description of the actuarial assumptions, actuarial cost method, and asset valuation method used in the valuation, including a statement of the assumed rate of payroll growth and assumed rate of growth or decline in the number of members of the fund contributing to the pension fund;

(4) A summary of findings that includes a statement of the actuarial accrued pension liabilities and unfunded actuarial accrued pension liabilities;

(5) A schedule showing the effect of any changes in the benefit provisions, actuarial assumptions, or cost methods since the last triennial actuarial valuation;

(6) A statement of whether employee and employer contributions to the pension fund are expected to be sufficient to satisfy the funding objectives established by the board.

The first triennial report shall be made not later than November 1, 2013, to the Ohio retirement study council, the director of budget and management, and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation immediately upon its availability and thereafter triennially, not later than the first day of November.

(B) At such times as the board determines, and at least once in each quinquennial period, the board shall have prepared by or under the

supervision of an actuary an actuarial investigation of the mortality, service, and other experience of the members of the fund and of other system retirants, as defined in section 742.26 of the Revised Code, who are members of a police department or a fire department to update the actuarial assumptions used in the actuarial valuation required by division (A) of this section. The actuary shall prepare a report of the actuarial investigation. The report shall be prepared and any recommended changes in actuarial assumptions shall be made in accordance with the actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries. The report shall include all of the following:

- (1) A summary of relevant decrement and economic assumption experience observed over the period of the investigation;
- (2) Recommended changes in actuarial assumptions to be used in subsequent actuarial valuations required by division (A) of this section;
- (3) A measurement of the financial effect of the recommended changes in actuarial assumptions;
- (4) If the investigation required by this division includes the investigation required by division (E) of this section, a report of the result of that investigation.

The board shall submit the report to the Ohio retirement study council and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation not later than the first day of November following the last fiscal year of the period the report covers.

(C) The board shall have prepared by or under the supervision of an actuary an actuarial analysis of any introduced legislation expected to have a measurable financial impact on the pension fund. The actuarial analysis shall be completed in accordance with the actuarial standards of practice promulgated by the actuarial standards board of the American academy of actuaries. The actuary shall prepare a report of the actuarial analysis, which shall include all of the following:

- (1) A summary of the statutory changes that are being evaluated;
- (2) A description of or reference to the actuarial assumptions and actuarial cost method used in the report;
- (3) A description of the participant group or groups included in the report;
- (4) A statement of the financial impact of the legislation, including the resulting increase, if any, in the employer normal cost percentage; the increase, if any, in actuarial accrued liabilities; and the per cent of payroll that would be required to amortize the increase in actuarial accrued

liabilities as a level per cent of covered payroll for all active members of the fund over a period not to exceed thirty years;

(5) A statement of whether the scheduled contributions to the system after the proposed change is enacted are expected to be sufficient to satisfy the funding objectives established by the board.

Not later than sixty days from the date of introduction of the legislation, the board shall submit a copy of the actuarial analysis to the legislative service commission, the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation, and the Ohio retirement study council.

(D) The board shall have prepared triennially a report giving a full accounting of the revenues and costs relating to the provision of benefits under section 742.45 of the Revised Code. The first triennial report shall be made as of December 31, 2013, and the thirty-first day of December triennially thereafter. The report shall include the following:

- (1) A description of the statutory authority for the benefits provided;
- (2) A summary of the benefits;
- (3) A summary of the eligibility requirements for the benefits;
- (4) A statement of the number of participants eligible for the benefits;
- (5) A description of the accounting, asset valuation, and funding method used to provide the benefits;
- (6) A statement of the net assets available for the provision of the benefits as of the last day of the fiscal year;
- (7) A statement of any changes in the net assets available for the provision of benefits, including participant and employer contributions, net investment income, administrative expenses, and benefits provided to participants, as of the last day of the fiscal year;
- (8) For the last six consecutive fiscal years, a schedule of the net assets available for the benefits, the annual cost of benefits, administrative expenses incurred, and annual employer contributions allocated for the provision of benefits;
- (9) A description of any significant changes that affect the comparability of the report required under this division;
- (10) A statement of the amount paid under division (B) of section 742.45 of the Revised Code.

The board shall submit the report to the Ohio retirement study council, the director of budget and management, and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation immediately upon its availability and not later than the thirtieth day of June following the year for which the report was made.

(E) At least once in each quinquennial period, the board shall have prepared by or under the supervision of an actuary an actuarial investigation of the deferred retirement option plan established under section 742.43 of the Revised Code. The investigation shall include an examination of the financial impact, if any, on the fund of offering the plan to members.

The actuary shall prepare a report of the actuarial investigation. The report shall include a determination of whether the plan, as established or modified, has a negative financial impact on the fund and, if so, recommendations on how to modify the plan to eliminate the negative financial impact. If the actuarial report indicates that the plan has a negative financial impact on the fund, the board may modify the plan or cease to allow members who have not already done so to elect to participate in the plan. The firefighter and police officers employers' contributions shall not be increased to offset any negative financial impact of the plan.

If the board ceases to allow members to elect to participate in the plan, the rights and obligations of members who have already elected to participate shall not be altered.

The board may include the actuarial investigation required under this division as part of the actuarial investigation required under division (B) of this section. If the report of the actuarial investigation required by this division is not included in the report required by division (B) of this section, the board shall submit the report required by this division to the Ohio retirement study council and the standing committees of the house of representatives and the senate with primary responsibility for retirement legislation not later than the first day of November following the last fiscal year of the period the report covers.

Sec. 743.50. (A) A municipal corporation that has established and implemented a watershed management program with regard to reservoirs for drinking water shall not include in the program any prohibition against maintenance of property that constitutes a buffer around a body of water that is part of such a reservoir by an owner of property that is contiguous to the buffer.

(B) A municipal corporation that has established and implemented a watershed management program with regard to reservoirs for drinking water shall not include in the program any prohibition against mowing grass, weeds, or other vegetation on municipal property that constitutes a buffer around a body of water that is part of such a reservoir by owners of property contiguous to the buffer.

(C) No peace officer or other official with authority to cite trespassers on municipal property described in this section may issue a civil or criminal
