Other Audit Related Activity

| Area | Risk Rating | Subject/Project | Description |
|-----------------|----------------|---|---|
| Enterprise-wide | Low | Internal Control Education and Training | Provided on-going educational information to employees to help enhance and strengthen OP&F's control environment. Provided internal controls and fraud education training to select new employees. |
| Internal Audit | Low | Internal Audit Procedures Manual | Updated Internal Audit Procedures Manual to reflect current practices. The Manual describes the audit procedures and policies established by the Chief Audit Executive by which the internal audit function can operate effectively while providing a high level of accountability. |
| Internal Audit | Low | Internal Audit Crosswalk to Standards | Institute of Internal Auditors <i>Standards</i> for the Professional Practice of Internal Auditing <i>to</i> OP&F Internal Audit Procedures Manual Crosswalk. The Crosswalk documents how Internal Audit complies with the IIA <i>Standards</i> . |
| Internal Audit | Low | Quality Assurance Reviews | Performed workpaper quality assurance reviews to comply with the Institute of Internal Auditors <i>Standards</i> for the Professional Practice of Internal Auditing. |

| Internal Audit | Low | Self-Assessment | An independent external validation of self-assessment to comply with <i>Internal Auditors Standard 1300 Quality Assurance</i> <i>and Improvement Plan</i> was completed December 2021. Internal Audit received the highest rating available, generally conforms to the IIA Standards. There was one opportunity for improvement noted during the review: Having periodic independent external quality assessments to provide assurance to the OP&F board, senior management, and membership that the Internal Audit Office continues to adequately fulfill this important audit role in compliance with IIA Standards. Internal Audits review was delayed because of Covid, the next review will be performed within the required timeframe. |
|-----------------|-----|--|---|
| Enterprise-wide | Low | Risk Assessment and Audit Plan for 2021 | Completed the Risk Assessment and Audit Plan for 2021. The Institute of Internal Auditors <i>International Standards for the Professional Practice of Internal Auditing</i> requires the chief audit executive to establish a risk-based plan to determine the priorities of the internal audit activity, consistent with organization's goals. The assessment of the organization's risk environment was completed and the audit plan was finalized. The plan is adjusted, as necessary, in response to changes in the organizations business, risks, operations, systems, and controls. The risk assessment is also updated quarterly (minimum) or more frequently if needed. The Administration and Audit Committee approved the plan on 2/23/2021. |
| Enterprise-wide | Low | Updates to 2021 Risk Assessment and Audit Plan | The Audit Plan was updated in March, August and September 2021 to reflect emerging risk. |
| Enterprise-wide | Low | Audit Follow-up | Performed audit follow-up. Internal audit monitors the status of outstanding audit observations to verify management has corrected the internal control weaknesses. Results are presented to Audit Committee. |
| Internal Audit | Low | Internal Audit Charter – 2021 | Updated the Internal Audit Charter for 2021. The Institute of Internal Auditors <i>Standard 1000</i> requires the purpose, authority, and responsibility of internal audit be formally defined in an Internal Audit Charter, consistent with the Mission of internal audit and the mandatory elements of the International Professional Practices Framework. The chief audit executive must periodically review the internal audit charter and present it to senior management and the Administration and Audit Committee for approval. The internal audit charter was provided to management for review. The 2021 Internal Audit Activity Charter was submitted to the Administration and Audit Committee for review and approval. |
| Enterprise-wide | Low | Ethics Training | Updated ethics training material and provided ethics training to all OP&F employees. New employees receive the training their first week at OP&F. Also provided a No Gift Acceptance Education and Training to staff. |
| Enterprise-wide | Low | HIPAA Training | Health Insurance Portability and Accountability Act Training (HIPAA): Researched U.S. Department of Health and Human Services website for HIPAA updates, prepared Power Point presentation, provided annual HIPAA training to OP&F staff on policies and procedures for use, disclosure, and general treatment of protected health information (PHI) and ePHI. New employees receive the training their first week at OP&F. |
| Internal Audit | Low | Financial Audit | Provided requested documents to external auditor. |
| Enterprise-wide | Low | OP&F Risk Management Policy | Collaborative project with management: Updated the manual to include known internal controls. Met with management, brainstormed potential risks, and discussed controls in place. Internal audit helped facilitate the updates to the policy. The Board of Trustees reviewed and approved in February 2021. |

| Enterprise-wide | Low | OP&F Board Governance Policy Manual | Updated the OP&F Board Governance Policy Manual. Manual contains: OP&F's Mission, Vision, and Core Values; Fiduciary Duties; Governing Style; Trustee Development; Board Officers and Offices; Code of Conduct; Committee Guidelines; Committee Charters; Ethics Policy; Board Travel Policy; and Modern Rules of Order Tailored for OP&F. The Board of Trustees approved the manual on 11/30/21. |
|-----------------|-----|---|---|
| Internal Audit | Low | Research | During the year, seven incidents potentially involving Personally Identifiable Information were reported to internal audit. Internal audit documented each incident and provided a summary report to the Executive Director and General Counsel. |
| Internal Audit | Low | Enterprise Risk Management Consulting | Prepared risk questionnaires for management, reviewed responses and provided feedback. |
| Enterprise-wide | Low | Risk Assessment and Audit Plan for 2022 | Worked on the Risk Assessment and Audit Plan for 2022. The plan was reviewed with management and approved by the Administration and Audit Committee in November 2021. |
| Internal Audit | Low | Education | Participated in webinars and earned continuing education credits. |
| Enterprise-wide | Low | Fiduciary Audit | ORC 171.04 requires the Ohio Retirement Study Council (ORSC) to have conducted by an independent auditor at least once every ten years a fiduciary performance audit of OP&F. The last fiduciary audit scheduled and performed on behalf of the ORSC was in 2006. Internal Audit is facilitating the review. |
| Enterprise-wide | Low | Policy Reviews | Reviewed and provided feedback to update the following policies: Disclosure Statement; Business Ethics and Conduct; Conflict of Interest; and Disclosure of Wrongdoing ("Whistleblowing"). |
| Internal Audit | Low | Goals/Objectives | Developed Internal Audit Strategic Plan. |
