In response to Substitute Senate Bill 133, the five Ohio retirement systems developed common procedures to recruit, document and report their use of Ohio-qualified agents and Ohio-qualified investment managers.

The systems collaboratively developed forms to certify Ohio-qualified agents (Tab 1) and investment managers (Tab 2). These certification forms were:

- Sent to all agents and investment managers currently doing business with the Ohio retirement systems;
- Provided to prospective agents and managers; and
- Posted on the systems' Web sites (Tab 3).

Information regarding new registration and reporting requirements (as a result of Sub. S.B. 133) were included with all Ohio certification mailings and given to prospective agents and managers (Tab 4).

On behalf of the Ohio retirement systems, OPERS is responsible for processing the certification forms and publishing a current list of Ohio-qualified agents (Tab 1), and SERS is responsible for processing the certification forms and publishing a current list of Ohio-qualified investment managers (Tab 2).

Since before 1990, STRS Ohio has had an Ohio and Emerging Brokerage Firm Program to increase use of Ohio brokers, as well as brokers that are owned and controlled by minorities and/or women. To enhance this existing program and to comply with Sub. S.B. 133, STRS Ohio developed the "Ohio Investment Manager and Broker Program and Policy," which sets forth how STRS Ohio intends to increase the use of Ohio-qualified agents and investment managers (Tab 5). The State Teachers Retirement Board approved the policy at its Dec. 9, 2004, meeting.

The information summarized below highlights results for the current period (July 1, 2010 – June 30, 2011) compared to the baseline period (July 1, 2003 – June 30, 2004) (Tabs 6a-f):

- Agents are required to submit a Certification annually.
- Each year, OPERS contacts agents who filed Certifications in the prior year, to provide an opportunity for completion of the Certification for the current period.
- The Certification form is posted to the OPERS website (www.OPERS.org), so that additional eligible agents may complete the Certification and become qualified.
- The Ohio Retirement Systems Ohio-Qualified Agent Listing (Listing) is posted to the OPERS website. The Listing is updated as changes occur throughout the year.

- The Listing is used to report utilization to the Ohio Retirement Study Council annually.
- Periodically, updates and modifications are made to the Certification process and form by OPERS in conjunction with the other Ohio pension systems.

Ohio-Qualified Agent Certification

General Information

Under Ohio law, R. C. 145.114, 742.114, 3307.152, 3309.157, and 5505.068, each Ohio retirement system is required to:

1. Establish a policy with the goal to increase the use of Ohio-qualified agents for the execution of domestic equity and fixed income trades when an Ohio-qualified agent offers quality, services, and safety comparable to other agents otherwise available to the systems and meets certain criteria;
2. Adopt a policy to establish criteria and procedures used to select agents to execute securities transactions;
3. Designate an agent as an Ohio-qualified agent if the agent meets certain criteria; and,
4. Make certain reports to the Ohio Retirement Study Council concerning Ohio-qualified agents and minority business enterprises.

Each retirement system's policy may be viewed on its web site.

The statutory criteria for an Ohio-qualified agent are that the agent:

1. Is subject to taxation under R.C. Chapter 5725 (financial institutions and insurance), 5733 (corporation franchise tax), or 5747 (income tax);
2. Is authorized to conduct business in Ohio;
3. Maintains a principal place of business in Ohio and employs at least five Ohio residents; and,
4. Is a licensed dealer under Ohio securities laws or comparable laws of another state or the U.S.

"Principal place of business" means an office in which the agent regularly provides securities or investment advisory services and solicits, meets with, or otherwise communicates with clients.

"Dealer" means every person, other than a salesperson, who engages or professes to engage, in Ohio, for either all or part of the person's time, directly or indirectly, either in the business of the sale of securities for the person's own account, or in the business of the purchase or sale of securities for the account of others in the reasonable expectation of receiving a commission, fee, or other remuneration as a result of engaging in the purchase and sale of securities. "Dealer" does not mean any of the following:

- (a) Any issuer, including any officer, director, employee, or trustee of, or member or manager of, or partner in, or any general partner of, any issuer, that sells, offers for sale, or does any act in furtherance of the sale of a security that represents an economic interest in that issuer, provided no commission, fee, or other similar remuneration is paid to or received by the issuer for the sale;
- (b) Any licensed attorney, public accountant, or firm of such attorneys or accountants, whose activities are incidental to the practice of the attorney's, accountant's, or firm's profession;
- (c) Any person that, for the account of others, engages in the purchase or sale of securities that are issued and outstanding before such purchase and sale, if a majority or more of the equity interest of an issuer is sold in that transaction, and if, in the case of a corporation, the securities sold in that transaction represent a majority or more of the voting power of the corporation in the election of directors;

(d) Any person that brings an issuer together with a potential investor and whose compensation is not directly or indirectly based on the sale of any securities by the issuer to the investor;

(e) Any bank;

(f) Any person that the division of securities by rule exempts as a dealer. Ohio securities licensing laws may be found in R.C. Sections 1701.01 through 1701.45.

A minority business enterprise is defined under Ohio law as an individual who:

1. Is a United States citizen
2. Owns and controls a business, a partnership, corporation, or joint venture of any kind that is owned and controlled by United States citizens, who:
 - a. Are residents of Ohio, and
 - b. Are members of one of the following economically disadvantaged groups: Blacks or African Americans, American Indians, Hispanics or Latinos, and Asians.

"Owned and controlled" means that at least fifty-one per cent of the business, including corporate stock if a corporation, is owned by persons who belong to one or more of the groups listed above. These owners must have control over the management and day-to-day operations of the business and an interest in the capital, assets, and profits and losses of the business proportionate to their percentage of ownership. In addition, the business must have been owned and controlled by those persons at least one year prior to being awarded a contract.

You may obtain additional and/or current copies of this form, lists of Ohio-qualified agents and minority business enterprises, and information on use of agents by contacting each system or viewing its web site.

In order to comply with Ohio law, the retirement system requests that your firm submit this certification.

OHIO INVESTMENT MANAGER AND BROKER POLICY AND PROGRAM

INTRODUCTION

As required by Substitute Senate Bill 133, the Board of the State Teachers Retirement System of Ohio hereby creates a policy and program with the goal to increase the utilization of Ohio brokers and investment managers. Even prior to the passage of this bill, the Board has been a proponent of using Ohio firms and Ohio residents to manage STRS Ohio investments and execute STRS Ohio investment transactions. For more than 15 years the Board has had an Ohio and Emerging Brokerage Firm Program to increase utilization of Ohio brokers, as well as brokers that are owned and controlled by minorities and/or women. In addition, for many decades the Board has internally managed a substantial portion of STRS Ohio's investment portfolio. The Board currently employs more than 100 associates as investment staff, who are residents of the State of Ohio, pay income taxes to the State of Ohio and support the economy of the State of Ohio. The Board's internal investment management and operation is effectively the equivalent of an "Ohio-qualified" investment manager. This Ohio Investment Manager and Broker Policy and Program is intended to enhance those efforts already taken by the Board to use Ohio firms and Ohio residents to manage STRS Ohio investments and execute STRS Ohio investment transactions.

BROKERS

Brokers who execute securities transactions on behalf of the Board are subject to an evaluation, selection, and use process conducted by the investment staff and reviewed by the Board on a semiannual basis. This process is commonly known as the "Broker Evaluation." The Board reaffirms and ratifies the existing criteria and procedures used in the Broker Evaluation, which includes those items set forth in Ohio Revised Code Section 3307.152(C). The Board also reaffirms and ratifies the Broker Evaluation process to review the performance of brokers used to execute security transactions, which is required by Ohio Revised Code Section 3307.152(D)(2). Those brokers selected by the investment staff in the Broker Evaluation constitute the approved broker list.

Adding Ohio Qualified Brokers to the Approved Broker List

The Board will qualify brokers as "Ohio" brokers through a process developed by the combined efforts of the Ohio retirement systems. Any Ohio-qualified broker will also be subject to selection and evaluation criteria and procedures contained in the Broker Evaluation. Ohio-qualified brokers selected by the investment staff in the Broker Evaluation will be added to the approved broker list. The Board has a goal to increase the use of Ohio-qualified brokers for the execution of domestic equity and fixed-income securities transactions, when the services that Ohio-qualified brokers provide are equal in quality, cost, scope and execution capabilities to all brokers approved to transact securities transactions on behalf of STRS Ohio. In the Broker Evaluation, the investment staff will identify Ohio-qualified brokers that will receive an increased allocation for the next six-month investment period.

Maintaining the Ohio and Emerging Brokerage Firm Program

The investment staff maintains a list of brokers who qualify for the Ohio and Emerging Brokerage Firm Program. Those brokers are eligible to be included on the approved broker list as long as those brokers receive research votes and/or meet the minimum criteria necessary to be included on the approved broker list. The specific process and factors by which these firms are selected are described in the Ohio and Emerging Brokerage Firm Procedures.

INVESTMENT MANAGERS

Since STRS Ohio investment staff manages a substantial portion of the STRS Ohio investment portfolio internally, only limited opportunities exist to use external investment managers, including Ohio-qualified external investment managers. However, pursuant to Substitute Senate Bill 133, the Board has a goal to increase the use of Ohio-qualified investment managers for the investment of STRS Ohio funds, when an Ohio-qualified investment manager offers quality, cost, services, safety and investment products comparable to other investment managers otherwise available to the Board. The Board will qualify investment managers as "Ohio" investment managers through a process developed by the combined efforts of the Ohio retirement systems. From this process, the Board will develop a list of Ohio-qualified investment managers and their investment products. All Ohio-qualified investment managers will be subject to the same investment manager search process conducted by investment staff as are other investment managers. The investment staff currently has the following search process for selecting investment managers to manage STRS Ohio funds for a particular investment product:

1. Investment staff obtains from the Board Consultant the rating of investment managers who fit within the investment staff goals and are open for new allocations.
2. Investment staff sends a request for proposal to those investment managers who are highly ranked by the Frank Russell Company.
3. Investment staff narrows the list of prospective managers to approximately two times the number of investment managers to be hired.
4. Investment staff interviews the finalists and makes a recommendation to the Deputy Executive Director, Investments and the Executive Director.

To increase the opportunities for Ohio-qualified investment managers when investment staff conducts an investment manager search, investment staff will advertise its investment manager search in two nationally recognized investment publications and on the STRS Ohio website. In addition to those investment managers whom the investment staff has selected to be on the final interview list through the current process, investment staff will add to the final interview list at least one Ohio-qualified investment manager who offers the investment product sought by investment staff and responds to the request for proposal.
