From: William J. Estabrook, Executive Director 

Subject: 2006 Annual Employer Disability Experience Report

In accordance with Section 742.381 of the Ohio Revised Code, the Ohio Police and Fire Pension Fund submits the enclosed 2006 Annual Employer Disability Experience Report.

The 2006 Disability Experience Report is presented in two parts. Part I reports all municipalities in Ohio who had Police and Fire employees with disability applications pending from 2005 or were newly filed in 2006. Part II of the report shows employers (531 cities) who had no employees with disability experience in 2006.

Of the 154 employers with disability experience in 2006, only 27 cities had 5% or more of their employees with pending or granted disability benefits. The 27 employers with disability experience greater than 5% was down from last years count of 38 employers. In some of these cases, a small employer with even one application in process would understandably make the percentage of disability experience appear higher than average for that employer.

All employers with over 700 Police and Fire employees in 2006 had less than 3% of their employees with disability experience.
