Subject: 2001 Disability Experience Report

In accordance with Section 742.381 of the Ohio Revised Code, the Ohio Police and Fire Pension Fund submits the enclosed 2001 Disability Experience Report.

The 2001 Disability Experience Report is in two parts. Part one reports all employers who had employees with disability applications pending from 2000, and those that were filed in 2001. Part two reports employers who had no employees with disability experience in 2001.

Of the 154 employers with disability experience in 2001, 37 had 5% or more of their employees with disability benefits in process in 2001. Of those 37 employers, most had only one employee with an application in process and had less than 20 active employees as of December 31, 2001, making the percentage understandably high. One employer showed 100% of its employees with disability benefits in process in 2001. This employer had only one active member as of December 31, 2001 and one member granted disability benefits in 2001.

Additionally, all of the employers with over 1,000 active employees as of December 31, 2001 had less than 2.0% of their employees with a disability benefit in process.
